Bid opening on 11/15/2017 @ 2:00PM in Sacramento, Ca

Reference: Caltrans letter dated 11/30/2017

Dear Ms. Sewell,

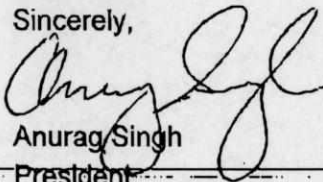

We are in receipt of your letter regarding the bid protest from NPC. This letter will serve as the formal response for the bid protest submitted by Northern Pacific Corporation against Dreambuilder's Bid for this project.

1. Item Number 53: Will be performed by Dreambuilder hence Listing another contractor is not required.
2. Item Number 60 Will not be performed by a Licensed contractor. Surveyors do not meet the Subcontractor Listing requirements since they do not possess a contractor's license and cannot be a subcontractor they are considered consultants.

We request the state to reject this protest and award this project to Dreambuilder since the protest lacks merit.

Thank you.

Sincerely,

Anurag Singh

President
